GOOD HOMES COME WITH A 5 STAR ADVANTAGE

Super strength

Concrete gives unmatched strength for foundations and heavy casting work

Best freshness

Laminated AdStar bag protects Concrete from moisture, keeping it fresh in any season

Superior finish

Superior workability allows Concrete to provide the best finish for intricate designs

Lightest colour

Concrete has an almost white colour, which makes it perfect for plastering

Assured quality

The tamper-proof bag ensures that there is no chance of pilferage or adulteration
